

The records of the commercial register and the documents attached to the registration file of the merchant shall be advertised after 1 August 2021 on the information website of the Enterprise Register <https://info.ur.gov.lv/>.
Information about commercial register entries, their registration date, as well as the date and type of the document attached to the registration file can be reviewed in the "Publications" section.
The use of public documents after the announcement is prohibited.
We would like to inform you that due to the high activity in submitting annual reports to the State Revenue Service, the availability of annual reports on the Information website info.ur.gov.lv may currently be delayed. Please wait and check back later. Thank you for your understanding and patience!
