

## Search for a Federal Corporation

From [Corporations Canada](#)

Consult Corporations Canada's database, the source to confirm the existence of a corporation created under a federal corporate law.

This database does not include corporations created under financial (such as financial institutions, insurance companies or loan and trust companies) or those created under provincial/territorial corporate laws or under foreign corporate laws. For corporations created under provincial/territorial laws, consult [Canada's Business Registers](#).

Once you have completed a transaction with Corporations Canada, it may take several hours for the database to reflect the update.
